INTENTION TO ENTER – 2024

This form is not binding on any party but is intended to be used in good faith. It is an indication by a competitor of their intention to enter the event and will be used by the organizers for promotional and planning purposes. If entries are over-subscribed, then a preference will be shown to those who indicated their intention to enter and followed this up with a formal entry in good time. Competitors who complete this form will be listed on the event website.
