Stages: 1, 2, 6, 7, 9 -12, 11 - 16.

411km, South & West of Dunedin between 0715 and 1500 hrs approx.

More details will be provided in Supplementary Regulations Part 2.

9.1.1 Registration for reconnaissance

Before starting reconnaissance all crews must register at the Rally Secretariat to get the necessary documentation. Registration for reconnaissance is available on Wednesday 10th April between 1200 hours and 2000 hours.

Crews may have another team member collect their documentation ONLY if their entry form is fully completed. If this is not the case they must register in person.

Each crew will be issued with 3 sets of numbers. The 2 x large numbers will be displayed on the rear side windows of the reconnaissance car. The 1 x small number will be displayed on the co-driver's side top corner of the front windscreen.

9.2 Running of Reconnaissance

9.2.1 Timetable

Reconnaissance will be in convoy strictly in accordance with the timetable published in Appendix 2 of these Supplementary Regulations.

Note:

- SS8 (Tarmac Super Special Stage) will not form part of the convoy reconnaissance. Competitors may walk around this stage at a time of their choosing.

9.2.2 Respect of Reconnaissance Timetable

No late entry into a special stage will be permitted. While travelling through a special stage the crew must remain within the convoy.

9.2.3 Number of passages

Each crew is limited to two passages on each special stage. Crews will only be permitted to enter and leave special stages through the start and finish controls. Further checks may also be carried out within the special stage.

9.2.4 Speed during reconnaissance

The maximum speed limit on special stages is 80 kph unless the traffic signs, the road book or bulletins indicate a lower speed limit.

9.2.5 Headlights

For safety headlights must be switched on while driving on ALL special stages.

9.2.6 Number of persons

During each passage through a special stage, only the competing crew is permitted in the car unless dispensation is given by the Clerk of the Course.

9.2.7 Penalties for Breach of Speed Limits – International Permitted event

Refer Article 35 of the 2024 FIA Regional Rally Sporting Regulations.

Speeding during reconnaissance will incur a fine applied by the Clerk of the Course as follows: Per km per hour over the speed limit, all drivers €25.

The amount of this fine will be unaltered by any fine imposed by the police. The fine will be doubled in case of a second offence committed during reconnaissance in the same rally.

10 ADMINISTRATIVE CHECKS

10.1 Documents to be presented

The following items will be checked at Administrative Checks:

- Competitor's (Entrant) Licence
- Driver's and Co-driver's competition licences
- Driver and Co-driver's valid civil driving licences
- Driver and Co-driver passport or identification (APRC Pacific Cup only)
- Driver's declaration and undertaking forms signed by the driver and co-driver. (APRC Pacific Cup only)
- ASN authorisation for all foreign competitors and/or drivers
- Current affiliated Car Club Membership Card (New Zealand Competitors only)
- Completion of all details on the entry form
- Car registration papers (Non NZ APRC Pacific Cup cars only)
- Completion of the reconnaissance registration form

10.2 Timetable

Venue: Rally HQ, Scenic Circle Southern Cross Hotel, High Street, Dunedin

Times: Wednesday 10th April 1200 – 2000 hours

Thursday 11th April 1200-1600 hours

Friday 12th April 1200 – 1500 hours

Crews may have another team member collect their documentation only if their entry form is completed and signed otherwise they have to register in person.

To assist competitors, administrative checks may be completed outside these times by appointment.

11 SCRUTINEERING (Safety Audit), SEALING AND MARKING

Competition numbers, rally plates and advertising decals shall be affixed to the car before attending Scrutineering. Rally Safe units will be issued

11.1 Scrutineering (Safety Audit) Venue and Timetable

Competitors who wish to be allocated a scrutineering time in conjunction with another competitor or at a certain time period must advise the secretariat by Friday 16th March.

Venue: Otago Polytechnic , Donald Street, Dunedin

Time: Friday 12th April from 0900 – 1500 hours

All spare parts sealing will take place on Friday 12th April at the scrutineering venue from 0900 – 1500 hours.

The scrutineering schedule will be posted as a bulletin on the website (in the Noticeboard section and on Sportity) on Thursday 28th March.

All APRC Pacific Cup and NZRC vehicles will be required for technical inspection

Remote Safety Audits will be available prior to the event. Details will be included in the Supplementary Regulations Part Two.

11.2 Mud Flaps / Windows / Nets / Noise Level – International Permitted event

Refer to the 2024 FIA International Sporting Code Appendix J, Article 252.7.7, 253.11 for relevant details.

The use of transparent and colourless anti-shatter films (maximum thickness: 100 microns) is compulsory on side and sunroof windows, unless they are in polycarbonate. Rear side sunroof windows may use silvered or tinted films (see conditions below) in replacement of transparent and colourless anti-shatter films.

The use of silvered or tinted films is authorised on the rear side windows, on the rear windows and on the sunroof, on the following conditions:

- Silvered or tinted films fitted on rear side windows must have an opening equivalent to the surface of a circle of 70 mm in diameter so that the driver as well as the contents of the car may be seen from the outside.

11.3 Clothing and Safety Apparel

International Permitted event

It is a requirement that all competing crews comply with the regulations for safety in relation to overalls, approved frontal head restraint (FHR), balaclavas, gloves, boots and underwear. Refer Appendix L of the 2024 FIA International Sporting Code.

National Permitted event

Refer to MotorSport NZ Manual . **Note: Approved Frontal Head Restraints are mandatory**

11.4 Marking and Sealing

The FIA Technical Delegate will seal/mark all cars contesting the FIA Asia-Pacific Rally Championship. Other cars will be sealed/marked at the discretion of the organisers.

11.5 RallySafe Tracking System

All Competitors must make provision in their competition vehicle for the RallySafe GPS and tracking system. An overview of the system and installation instructions is available on www.rallysafe.com.au

A RallySafe Briefing will be held at 2030 hours on Friday 12th April at Rally Headquarters. This briefing is for competitors who have questions or who have not used the equipment before.

RallySafe wiring loom, antennae and mounting kit can be purchased for approx. AUD\$250.00 plus freight. Orders must be received by RallySafe to allow time for shipping to New Zealand.

The RallySafe GPS units and tracking systems will be available at Documentation and must be fitted prior to scrutineering, where the correct functioning and installation will be checked.

Competitors who retire must return their RallySafe GPS unit to the Rally Secretariat. All other competitors must return them to the RallySafe Official at the Finish, or before their cars are removed from Parc Ferme.

If the unit is damaged whilst in the care of the competitor, the competitor is responsible to pay for repairs or replacement as necessary. Insurance is available from RallySafe see <https://shop.statusas.com/shop/category/rallysafe/damage-waivers/>

11.6 Final Scrutineering

Details of post-event scrutineering are shown in Section 15 of these Regulations.

12 OTHER PROCEDURES

12.1 Promotional Requirements, Ceremonial Start and Competition Start

This year, there will be a Motorshow and Ceremonial Start in the Centre of Dunedin on the evening of Friday 12th April. **All competitors are expected to take up the opportunity to display their cars and maximise publicity opportunities for their sponsors.** Dispensations for non attendance will only be given in exceptional circumstances. A variety of activities are planned for this show including signing sessions, rally car displays, start ceremony, rally forum and much more.

A Media and Publicity Day (not part of the event) will be held on a 3 km loop road on the afternoon of Wednesday 10 April. There will be limited places available for those who wish to use it as testing however those doing so will need to take Media and Sponsors for a ride. Application to participate should be made to Roger Oakley. Roger.oakley@stantec.com

12.2 Starting Interval and Start Order

The start order will be in divisions as follows:

- (a) 4WD Classic Vehicles (National Permitted Event)
- (b) 2WD Classic Vehicles (National Permitted Event) in reverse seeded order
- (c) FIA APRC Pacific Cup / NZRC / Other Competitors

12.3 Time Cards

Time Cards will be issued at Documentation at the Rally Secretariat on Wednesday 10th April.

12.4 Starting System for Special Stages

The start will be by the in-car RallySafe unit that displays a countdown at the start of each special stage.

A false start will be detected by the RallySafe System.

12.5 Early Check In

Competitors may book in early at TC0, TC8b, TC8c and TC16a without penalty.

12.6 Retirement

Any crew retiring permanently from the rally must report such retirement to the Organisers as soon as possible using the telephone number in the road book and lodging the "Withdrawal Form" in the road book with a Competitor Relations Officer or a Senior Official. Failure to comply will be liable to a sanction at the Stewards' discretion.

12.7 Traffic Offence Notice and Accident Reporting

Upon entering every Parc Ferme, competitors are required to notify a Competitor Relations Officer in writing if they or any member of their team have received a Traffic Offence Notice. The submission of an entry is also an agreement that the New Zealand Police may advise the Organisers of the details of any notices issued.

12.8 Accident Procedures / Red Flags

Crews should refer to the page at the front of the Road Book which deals with the action that must be taken in the event of an accident. Failure to follow these procedures will be reported to the Stewards of the Meeting.

12.9 Finish Procedures

The finish of the rally will be at TC16a. From there competitors must follow the directions of Officials to drive over the finish ramp and return to the final Parc Ferme.

The procedures and presentations for the awards set out in Article 14 of these Regulations shall be conducted in accordance with Appendix A of the 2024 FIA Asia Pacific Rally Championship Media Facilities and Operations Guide.

12.10 Driving Conduct – International Permitted event

Competitors must note the provisions of the FIA Regional Rally Sporting Regulations Article 34.

12.11 Official Time used during the rally

The official time for the event will be New Zealand Time.

12.12 Super Special Stage (SSS8)

Super Special Stage 8 will be a tarmac surface publicity stage in central Dunedin.

Please note that the road layout has changed since it was last used. The format for this will revert back to the 'traditional format' consisting of 4 laps of a city block. Cars will be started at minute intervals and it should be noted that more than one car may be on the course at any one time.

Gravel Rally Tyres are to be used on any driven wheels on this stage. Tyres designed to be used predominantly on tarmac surfaces will not be allowed on any driving wheels. The Clerk of the Course is the sole judge of fact in this matter.

12.13 NZRC Competitors

The "Power Stage" for categories 1- 4 will be SS 16 Kuri Bush. If for any reason this stage is interrupted or cancelled the "Power Stage" will then be SS 7 : Waipori Gorge.

The "Power Stage" for Category 5 competitors will be SS 7 Waipori Gorge

Servicing

Servicing is only permitted in the designated Service Parks. This applies to all competitors including 2WD Classics and Allcomers.

13 IDENTIFICATION OF OFFICIALS

The post chiefs and other officials will be identified as follows:

Post Chief	Blue Vest with black POST CHIEF
Other Post Officials	Fluoro Green Vest with black CONTROL
Medical Officers	Green Overalls with yellow MEDICAL
Safety Marshals	Orange Vest with black SAFETY
Competitor Relations Officers	Red Vest with COMPETITOR RELATIONS OFFICER

STAGE DESCRIPTIONS

LEG ONE: SATURDAY 13th APRIL 2024

SS 1 Black Rock 15 km

Great way to start the rally. Was last used as SS10 in 2022. Prior to that it was SS9 in 2017 and SS 14 in 2016. Wide and very fast public roads through open farmland. Great spectator point at 11.4km which should attract plenty of spectators.

SS 2 Waipori Road 15 km

New stage that is on fast public roads. Has been used on the Lawrence rally several times and was the last 15km of the Manuka Hill stage last used for the Otago Rally in 2021.

SS 3 Clarks Flat 29 km

New stage on wide open and fast public roads. Parts of this stage have been used in reverse and in different configurations over several years.

SS 4 Reserve Road 16 km

An Otago Rally favourite last used in 2017 (SS 5). Also used in the 2023 Lawrence Rally. Public roads, medium gravel. Fast in places with tricky brows. Here is some of the stage <https://www.youtube.com/watch?v=ZTYS4QiCq0A>

SS 5 Cockleshell 13 km

Last used in 2021 (SS4) Was also used in 2014 (SS 6). Very fast public roads with some tricky brows. Medium/heavy gravel. Has been used in both directions in recent Lawrence rallies. Here's an example <https://www.youtube.com/watch?v=MyolKTW6uSc>

SS 6 Mitchells Flat/ Waipori 41 km

New stage. Starts on very fast public roads that have formed part of the Manuka Hill stage in previous years. The last 10km of the stage is on good forestry roads.

SS 7 Waipori Gorge 13 km

A classic Otago stage which this year will be run downhill. Last run in this direction in 2019 (SS 6). It will be one of the slower stages this year run on a relatively twisty public road alongside the Waipori River.

SSS 8 Tarmac Super Stage 2 km

After not running in 2022 due to Covid-19 restrictions, this year it will revert to the traditional format used from 1996 – 2017 and in 2023. Four laps of a city block on tarmac. Fast and exciting but watch for other cars, kerbs, power poles, and tyre bundles. Gravel specification tyres must be used on all driven wheels.

STAGE DESCRIPTIONS

LEG TWO: SUNDAY 14th APRIL 2024

SS 9 Otokia 18 km

Last used in 2018 (SS 2). 100% public road with 2.5 km tarmac section. The first 6.5 km was part of SS10 in 2021. It is the reverse of SS13 that was run in 2022. Generally fast gravel roads using part of the Kuri Bush stage in reverse hence plenty of crests.

SS 10 Taieri Beach 9 km

.The shorter version of this popular stage without using the forest. Public roads – could be slippery if damp. Last used in this direction in 2018 (SS 3)

SS 11 Adams Flat 12 km

Last used as SS 1 in 2017 and prior to that was also SS 1 in 2014. A relatively short stage.. 100% public roads. Fast and flowing on medium gravel. Has also been used in the reverse direction in 2021.

SS 12 Gooseneck 23 km

Last used as SS 2 in 2017 and was also SS2 in 2014. Another stage starting on fast public roads with medium/heavy gravel tightening towards the downhill finish. Has also been used in the reverse direction in 2021.

SS 13 Perry Road 28 km

New stage on 100% public gravel roads. The first 5.1km has not been used on the Otago Rally however the remainder of the stage has been used as the last 23 km of the Table Hill stage in 2021.(SS 11) Fast public roads that border the forest with fast downhill finish.

SS 14 Cullen Road 12 km

New stage on 100% public roads. First few kilometres form part of the Circle Hill rallysprint.

SS 15 Akatore Road 14 km

New stage on fast public roads bordering the Akatore forest.

SS 16 Kuri Bush 15 km

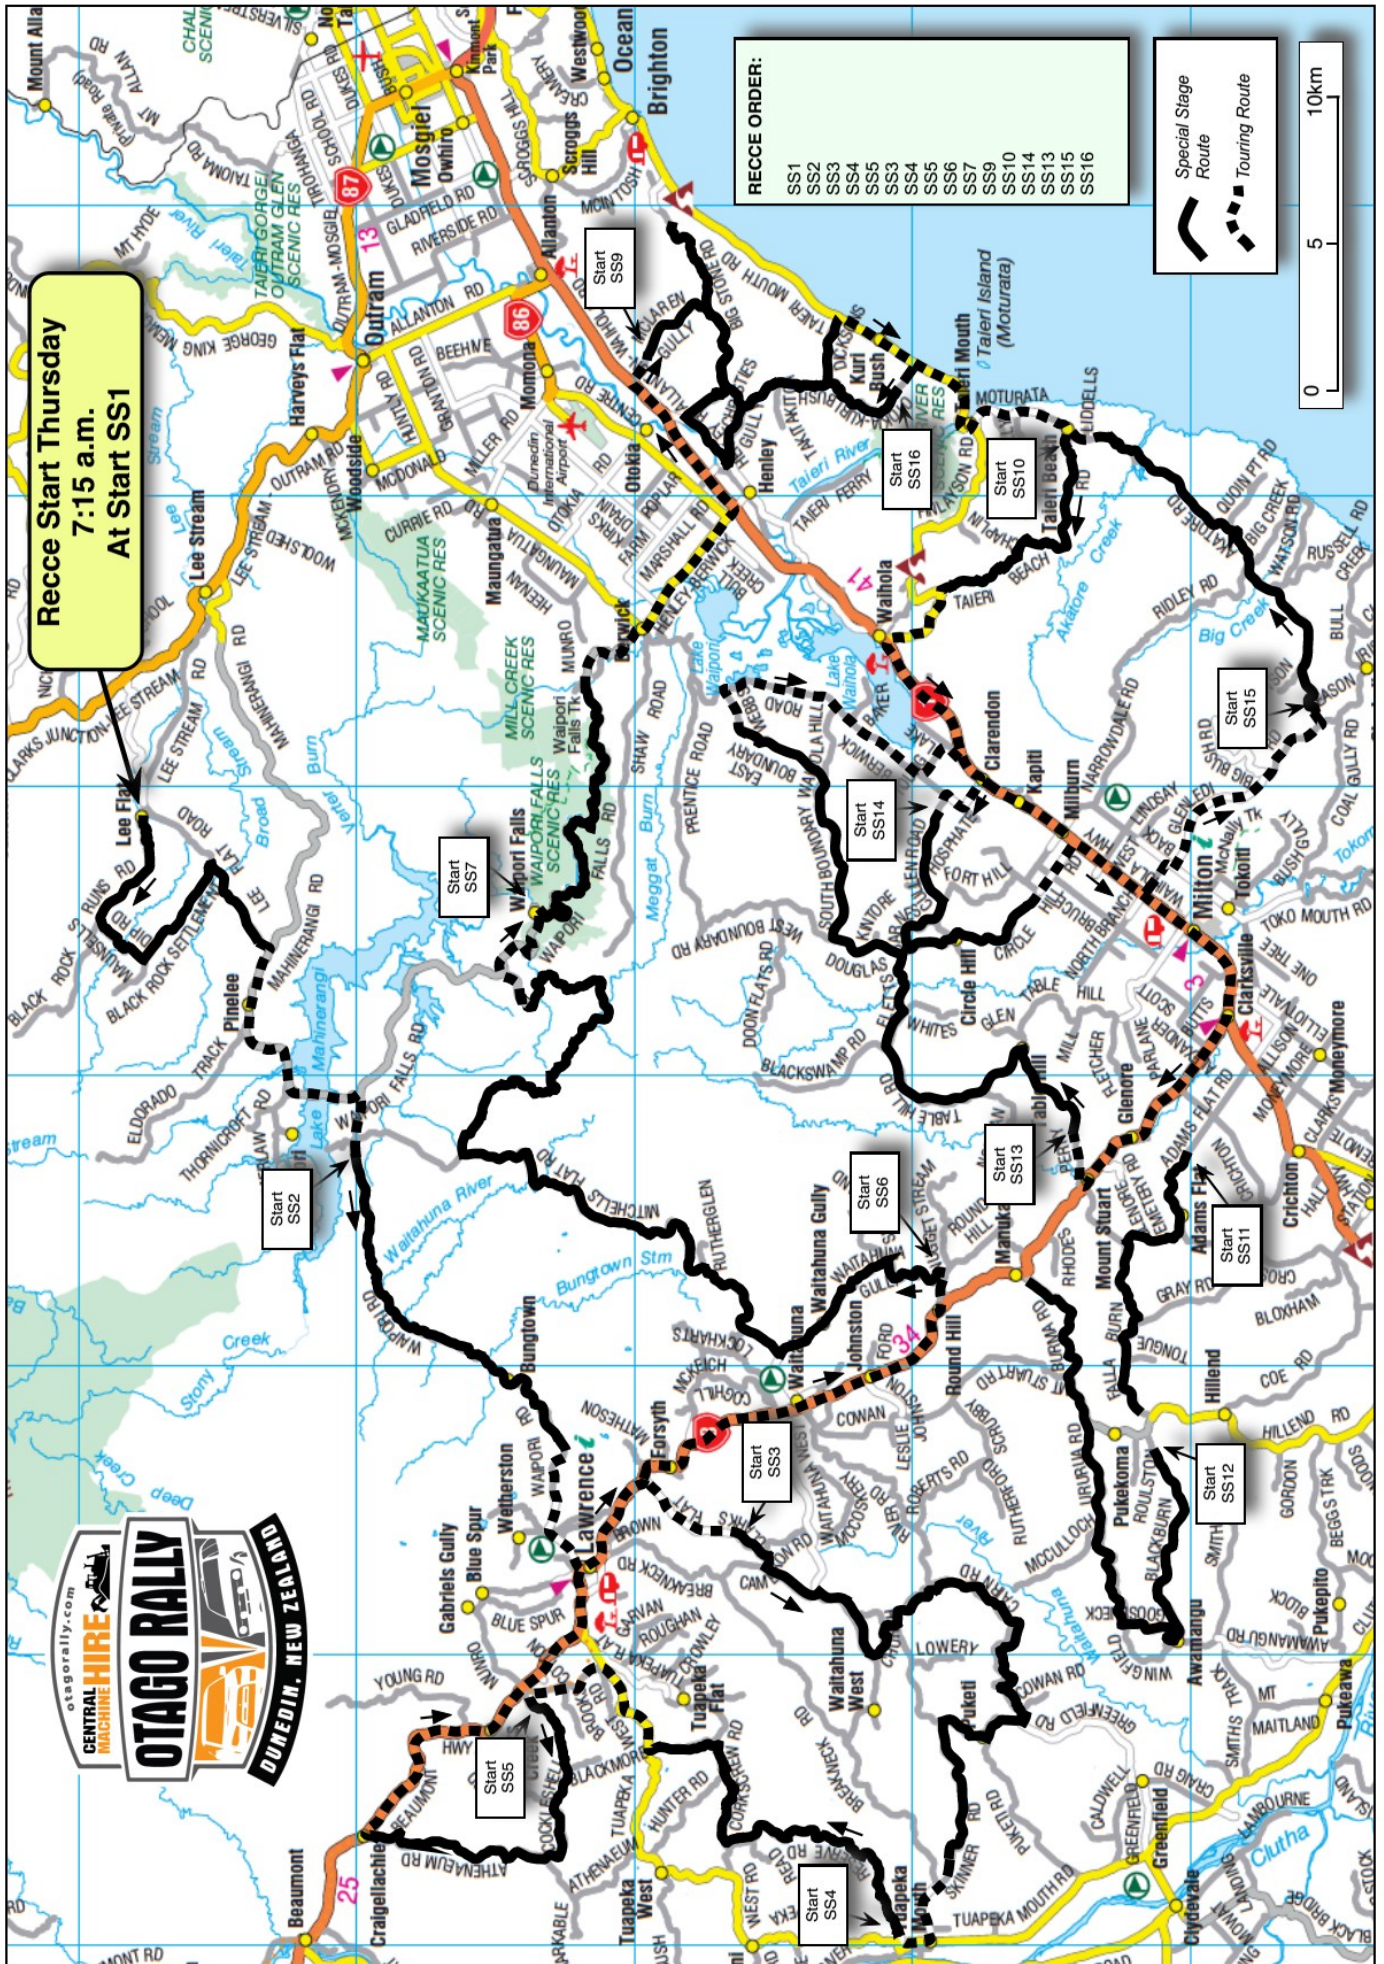

Needs no introduction. Numerous in-car videos available online. This is the signature Otago stage starting at Kuri Bush on the Otago Coast and was voted the second best stage in NZ. Huge crests requiring massive commitment rewarding the brave. In 2023 this was SS 16. This is how it's done... <https://www.youtube.com/watch?v=PScjE2GuZbw&t=36s>
